Are there any fees for using MobiMoney?

No. OFCU offers MobiMoney at no charge to our members.

How do I enroll in MobiMoney?

To enroll in MobiMoney, simply download the MobiMoney App from the Google Play Store or Apple App Store. Have the card information from the card you want to enroll ready and enter the information when prompted.

President's Message

I hope you are having a great summer with your family and friends. Whether you look forward to a big family vacation every year or just the joy of summer evenings on the porch, there is much to love about this time of the year. We want to encourage you to take the time to make memories with family and friends this summer. We believe family is important and we hope you feel like family at your Credit Union. We truly love all our members and serving your financial needs means more to us than just opening an account or closing a loan. When you get a Vacation Loan we see the priceless memories you'll make on the beach, and when you open an account for your child we love seeing the smiling faces of our newest little members. At OFCU, you are more than a member, you are a member of our Credit Union family.

So whether you are planning to take a vacation or purchase a new or used truck, we want to help! From low-rate **Auto Loans** with affordable payments to **Vacation Loans**, we work hard to save you money!

And if you are traveling this summer, be sure to check out our **Mobile App** that makes it easy to access your account wherever you go.

Now is also a great time to start saving for the holidays. The holidays may sound far away, but it's never too early to start saving. A **Christmas Club Account** is a great way to make sure you'll have the money you need so you won't be stressed and worried about how to pay for gifts.

As I close, I also want to remember, **Steve Sharp**, our past CEO and special member of our Credit Union family. Steve passed away in May. He will forever be remembered for his dedication to OFCU and how much he loved members and their families.
